All lost, stolen or damaged Accreditation Cards should be reported immediately to the nearest Accreditation Centre or to the Venue Management Team, if the participant is in an accredited venue. Participants will be required to complete a «Lost or Stolen Accreditation Card Form», or bring the damaged card to the OC Staff, and present an identification document to register for the application of a new Accreditation Card.

In order to access a venue in an emergency, the participant can apply for a Daily Pass. The Venue Management Team will oversee issuing the Daily Pass. Participants found in possession of another participant's card will be ejected from the venue and may be referred to authorities for investigation.

Types of Access Devices

Temporary Pass

Distributed at the Delegation Welcome Centre (DWC) at Napoli Capodichino Airport, Temporary passes will be issued only to the delegations as an interim card until the permanent ones (Accreditation Cards) are approved and issued by the CIC. Temporary Passes are valid only for 24 hours and allow access to accommodation, food and beverages. Athletes are not allowed to compete or train with temporary passes. Please refer to chapter 8 for the complete "Arrival and Departures" and "Delegation Welcome Centre" processes.

Accreditation Cards

Issued to all Delegations at the CIC Office (at the Main Accreditation Centre in Stazione Marittima Athletes' Village), the Accreditation Card grants dedicated access rights and privileges to its holder for the whole duration of Napoli 2019 Summer Universiade.

International Zone Upgrade Cards

Issued to visitors, these devices grant temporary access to the Athletes' Villages International Zone. The official request for receiving this device must be sent at least 24 hours in advance by the Head of Delegation.

Use of Accreditation Cards

After the completion of the accreditation procedures, the Heads of Delegation will collect the accreditation cards at the Main Accreditation Centre (in Stazione Marittima Athletes' Village International Zone). HoDs will distribute a numbered accreditation card with a recent photograph to each athlete whose dossier has been approved by the CIC, once all the finance dues have been paid by the concerned delegations to the OC and FISU.

Athletes will always be required to keep their accreditation card with them and be prepared to present it for inspection by CIC members or FISU/OC authorised staff.

Accreditation cards will give the holders access to sports venues, official accommodation and to any other services or accredited facilities of Napoli 2019.

Athletes reporting for the start of any individual or team sport must be prepared to show their card to the officials in charge. For team sport competitions, the manager must present before each match the list of the athletes who will take part in the matches, including their accreditation card numbers. Any misuse of the accreditation card (attempting to forge the cards, etc.) shall lead to the accreditation card cancellation.

The accreditation card is intended for personal use only and may not be passed on to other people.

3.4 Transportation

OC will provide transportation services for Universiade 2019. The service will be provided in Campania Region with dedicated vehicles for Delegations, Media and International-National Technical Officials for all days of training and competition. This service will start at the official opening of the Village until its closure and will operate for opening/closing ceremonies and arrivals/departures as well. The OC will provide transportation service from June 27/06/2019 until 16/07/2019, including arrival and departure transfer services from International airport Napoli Capodichino.

3.4.1 Competition and Training Transportation

OC will provide a team bus for each team to competition and training venues from AVs and back according to competition and training schedule. Team Sport Attaché will be responsible for coordinating with Bus driver and operator in case of any changes in schedule. In case of any other particular issue and/or need of assistance he will need to refer to transportation team hot line and/or any services desk at the Villages. Team buses can only provide transportation between AVs and team sport venues (e.g. Basketball competition bus can only provide transportation between the Village and relevant venues) and cannot be used for any non-official purpose.

3.4.2 Opening and Closing Ceremonies Transportation

A special Opening & Closing Ceremony bus system will be provided from/to any Athletes' Village according to the ceremonies' schedule. This special bus system will follow specific rules and schedule according to Ceremonies "bump-in/out" plans; These services must be intended as "first come – first serve" services from/to the Athletes' Villages and not differentiated by sport (e.g. Athletes from several sports and Delegations will share same vehicles).

3.4.3 Transportation for Delegations as Spectators

For spectating athletes who want to attend an individual sports competition, there will be the possibility to take directly the relevant individual sports route shuttle bus upon seats availability (priority given to relevant sport athletes, and then spectating athletes from other sports will be allowed to get on board). In case spectating athletes would want to attend an individual sport competition in a different city, they would rely on the intra-village shuttle to go to the relevant village first and then take appropriate bus there (this could be the case of an athlete accommodated in Caserta and interested in attending an individual sports competition held in Napoli).

To reach Team sports competitions, a special "spectating athletes" shuttle services for those venues will be provided in each relevant Athletes' Village; in case spectating athletes would want to attend a team sports competition in a different city, they would rely on the intra-village shuttle to go to the relevant village first and then take the appropriate bus there (this could be the case of an athlete accommodated in Caserta and interested in attending a team sports competition held in Napoli).
